ORIGINAL—ORIGINAL—ORIGINAL

My dear Mr. Griffith:

I have for the second time seen your picture. Any personal praise of yourself or your genius regarding the picture I would naturally consider redundant and a little like carrying coals to Newcastle.

Anyway, I imagine you are so used to it that it would only bore you to death.

I have not the honor of knowing Miss Gish personally and I am afraid that any expression of feeling addressed to her she might consider impertinent. I merely wish to tell you that her performance in "Way Down East" seems to me to be the most superlatively EXQUISITE AND POIGNANTLY EN-CHAINING THING THAT I HAVE EVER SEEN IN MY LIFE. I remember seeing Duse in this country many years ago.

when, I imagine, she must have been at the height of her powers -also Madame Bernhardt-and for sheer technical brilliancy and great emotional projection, done with AN ALMOST UN-CANNY SIMPLICITY AND SINCERITY of method, it is great fun and a great stimulant to see AN AMERICAN ARTIST EQUAL, IF NOT SURPASS, THE FINEST TRADITIONS OF I am not in the habit of writing letters of this character,

and it is only a very rare experience that could impel it. I wonder if you would be good enough to thank Miss Gish from all of us who are trying to do the best we know how in the theater. Believe me,

Yours very sincerely,

(Signed)

JOHN BARRYMORE.
